Dear NFT Copyright Holder:

Ref: A00

We confirm that you are requesting a custom gold etched plate as the NFT Owner and the copyright holder for the NFT titled “_____,” originally published by _____.

APT Systems, Inc. under its brand NFT Gold Minting, would like to proceed with the preparation of artwork and a solid .999 gold plate to etch the NFT image upon. We will also post certification of our work on LawyerD.net. A proper acknowledgement will be included with a “Certificate of Authenticity” provided.

If you are in agreement with our price quoted and agree to provide us with your consent to proceed, please sign a copy of this permission letter and return it to us by email at info@aptsystemsinc.com within 48 hours (a scanned .png version is fine) or by overnight mail. You further agree to provide consent for APT to display your etched gold plate image on our website unless otherwise agreed by both parties in writing.

We appreciate the opportunity to work with you in memorializing your digital non-fungible token asset.

Sincerely,
APT Systems, Inc.
